# CAPABILITY STATEMENT

# ABOUT US

FRC Group Pty Ltd, is a quality endorsed multi-disciplined concrete and civil construction specialist. Since its inception in 2003 we have provided quality products for small to major commercial, civil and mining projects across Western Australia.

Formwork, Reinforcement and Concrete is what we stand for. We deliver success to our clients by utilizing the latest technology for the best possible results and developing long-term and lasting relationships

throughout the construction industry in Western Australia and beyond.

We pride ourselves in our commitment to quality work, strong attention to detail and maintaining our commitment to a zero harm work environment. Our business is built upon a core team of professional and motivated people with the knowledge, experience and passion to not only meet our clients' requirements, but to exceed them.

# VALUES

The FRC Group culture is well noticed and remembered by all our clients in the way we work.

**The FRC Culture is made up of a combination of**

- Safety
- Mateship
- Team work
- Family values
- Accountability
- Hard work.

## **SAFETY**

At FRC Group – Safety is part of our daily routine – it is a part of everything that we do and how we do it. FRC group is fully committed to

- Safety first culture
- LTI free projects
- Training and education of our staff
- Free speech workplace culture

Our core values identify and define the way we work.

## **QUALITY**

FRC Groups quality record to date is the results of our commitment to

- Implementation of our quality systems, checklists and procedures through our quality systems manual
- Keep up to date with the latest standard revisions
- Keeping up to date with the latest products, machinery and technologies available
- Continual training and retaining of our quality staff

## **Partnerships and associates**

Member of the CCIWA Chamber of Commerce and Industry

Member of the Concrete Institute of Australia

Member of the Newman Chamber of Commerce and Industry

- Fencing
- Bollard and Armco barrier installation
- Stone pitching and rip rap applications
- Dewatering
- Service location and exposure
- General site works

## PLANT & EQUIPMENT

- Excavators 5t - 45t
- Bobcats Skid Steers-Positrack
- Telescopic Handlers
- Tippers
- Loaders
- Water carts
- Service Trucks
- Light Vehicles
- Rollers
- Compactors
- Generators
- Concrete Ride on Trowel Machines
- Concrete Road Saws
- Formwork and Scaffolding
- Vacuum Trucks

# *20 years* of Successful Project Delivery

## **BHP - MAC DB18 REPLACEMENT**

### **CLIENT - BOODJARRA**

#### SCOPE OF WORKS

- Formwork, Rio and Concrete for Concrete slabs and footings
- Electrical pits
- Conduit installation
- Concrete cutting and mastic jointing
- Demolition works
- Chip sealing bitumen works.

All works were completed LTI free.

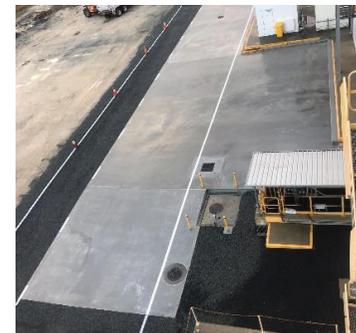

## **ALINTA ENERGY- WAGERUP -SITE CIVIL WORKS FOR MXL2 UPGRADES.**

### **CLIENT – ALINTA ENERGY**

#### SCOPE OF WORKS

- Bulk and Detailed earthworks
- Supply and installation of Formwork Rio and Concrete for concrete footings, Crane Pads
- Supply and Installation of precast concrete items
- Site wide drainage • Bitumen sealing.

All works were completed LTI free.

## BHP - MT WHALEBACK RAIL SLEEPER HAULAGE AND RELOCATION.

### CLIENT - BHP

#### SCOPE OF WORKS

- loading and haulage of rail sleepers throughout MWB mine site to various locations.
- All works were completed LTI free.

---

## MERREDIN POWER STATION – SITE CIVIL WORKS

### CLIENT – CTEC

#### SCOPE OF WORKS

- Formwork, Rio and Concrete for Concrete slabs
- Electrical pits and pedestals
- Concrete and conduit for street lighting
- Concrete cutting and mastic jointing
- Grouting, labour and plant hire
- Fishing works
- Site wide grading and installation of blue metal installation barrier.

All works were completed LTI free.

---

## RIO TINTO - RCE 1218 - KARRATHA FLASH BUTT WELDING FACILITY

### CLIENT – FIRM CONSTRUCTION AND RAIL TECH INTERNATIONAL

#### SCOPE OF WORKS

- Installation of form work, HD bolts, and embedded items
- Installation of approx. 6000m<sup>3</sup> of concrete
- Concrete cutting and mastic jointing
- Grouting
- Preparation of earthworks for foundations

All works were completed LTI free

## RIO TINTO – PSU330 – WEST ANGELAS POWER STATION

### CLIENT – UGL

#### SCOPE OF WORKS

- Bulk and detailed earthworks
- Installation of formwork and concrete for electrical pits
- Concrete hardstands, crane pads and workshops
- Concrete cutting and mastic jointing
- Rail Bridge remedial works
- Bulk and detailed earthworks
- Grouting of all structures.

All works were completed LTI free

## RIO TINTO – HOPE DOWNS 4 MINE SITE

### CLIENT – FORGE

#### SCOPE OF WORKS

- Supply and install formwork, rio and concrete for the AN Emulsion facility, Central facility re-fuel slabs, and oily water facilities slabs and plinths.
- 525 lv and bollards at the process plant and central facilities.
- Concrete demolition and reinstatement of footpaths at Hope Downs village.

All works were completed LTI free

## BHP YANDI - PORT TO MINE COMMUNICATIONS.

### CLIENT – OPTICAL DATA SERVICES

#### SCOPE OF WORKS

- Supply and install formwork, rio and concrete for the electrical pits, slabs and plinths.
- detailed earthworks
- bitumen road surfacing.

All works were completed LTI free

## CLIENT – UGL

### SCOPE OF WORKS

- bulk and detailed earthworks
- bitumen road surfacing.

All works were completed LTI free

## BHP MT WHALEBACK – FUEL BUND CONCRETE REMEDIAL WORKS

### CLIENT – BHP

### SCOPE OF WORKS

- Supply consultation for proposals
- Concrete cutting and remedial patching works
- Supply and install materials for jointing and protective coatings for fuel bunds.

All works were completed LTI free

## BHP - NEWMAN – WATER TREATMENT FACILITY

### CLIENT – GUIDERA O' CONNOR

### SCOPE OF WORKS

- Bulk and Detailed earthworks
- Supply and installation of Formwork Rio and Concrete for concrete footings, pedestals, walls, pits and structures
- Bitumen chip sealing works.

All works were completed LTI free.

## SHIRE OF EAST PILBARA - NEWMAN WASTEWATER TREATMENT PLANT

### CLIENT – ERTECK

### SCOPE OF WORKS

- Supply and installation of Formwork Rio and Concrete for concrete footings, pedestals, walls, pits and structures
- Bitumen chip sealing works.

All works were completed LTI free.

## FMG PORT HEDLAND IRON BRIDGE WATER PUMP STATION

### CLIENT – VALMEC

#### SCOPE OF WORKS

- Supply and installation of Formwork Rio and Concrete for concrete footings, pedestals, and Ring beams for water tanks

All works were completed LTI free.

## NEWMAN HOSPITAL - HV CABLE RELOCATION

### CLIENT – SCEE

#### Scope of works

- Trenching and Detailed earthworks
- Non-destructive excavations
- Supply and installation of structural fill and backfill materials
- Bitumen chip sealing works.

All works were completed LTI free.

## RIO TINTO - GUDIA DARRI ADMINISTRATION BUILDING

### CLIENT – BADENPORT

#### SCOPE OF WORKS

- Bulk and Detailed earthworks
- Supply and installation of Formwork Rio and Concrete for concrete footings, pedestals, walls, slabs and structures

All works were completed LTI free.

## ALINTA ENERGY - NEWMAN POWER STATION UPGRADES

### CLIENT – CLARK ENERGY

#### SCOPE OF WORKS

- Supply and installation of Formwork Rio and Concrete for concrete footings, pedestals, walls, pits and structures
- Bitumen chip sealing works
- Fencing and earth grid
- General site grading and assistance with scope of works for completion.

All works were completed LTI free.

## ALINTA ENERGY - NEWMAN POWER STATION SUBSTATION EXTENSIONS.

### CLIENT – FREDON

#### SCOPE OF WORKS

- Supply and installation of Formwork Rio and Concrete for concrete footings, pedestals, walls, pits and structures
- Bitumen chip sealing works
- Fencing and earth grid
- Non-destructive excavations.

All works were completed LTI free.

## NEWMAN HOTEL SUBSTATION.

### CLIENT – SCEE

#### SCOPE OF WORKS

- Bulk and Detailed earthworks
- Supply and installation of Formwork Rio and Concrete for concrete footings, pedestals, walls, pits and structures
- Bollards and conduits
- Bitumen chip sealing works.

All works were completed LTI free.

## BHP – NEWMAN -RECHARGE PONDS

### Client – BHP

#### SCOPE OF WORKS

- Detailed earthworks for trenching for service installation and backfilling
- Supply and installation of structural backfilling
- Rock breaking.

All works were completed LTI free.

## BHP - PACKSADDLE VILLAGE TRENCHING WORKS

### CLIENT – SCEE

#### SCOPE OF WORKS

- Detailed earthworks for trenching for service installation and backfilling
- Non-destructive excavations
- supply and installation of structural backfilling

All works were completed LTI free

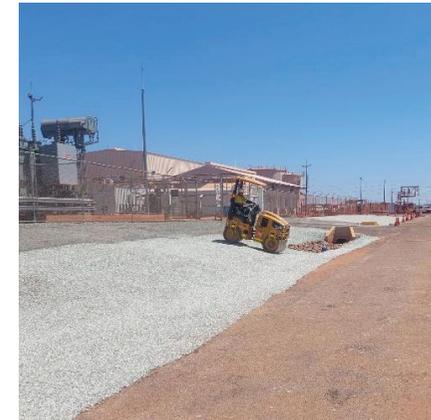

## ALINTA - NEWMAN POWER STATION

### CLIENT – CLARK ENERGY

#### SCOPE OF WORKS

- Bulk and Detailed earthworks
- Supply and installation of Formwork Rio and Concrete for concrete footings, pedestals, walls, pits and structures
- Bollards and conduits
- Bitumen chip sealing works.

All works were completed LTI free.

---

## RIO TINTO - GUDIA DARRI SITE MISCELLANEOUS WORKS.

### CLIENT – PRIMERO

#### SCOPE OF WORKS

- Supply and installation of Formwork Rio and Concrete for concrete footings, pedestals, structural concrete
- Bitumen chip sealing works
- Completion of the New airport earthworks
- Non-destructive excavations.
- Bulk and detailed earthworks for the rapid deployment camp.

All works were completed LTI free.

---

## ALINTA ENERGY - NEWMAN POWER STATION

### CLIENT – ALINTA ENERGY

#### SCOPE OF WORKS

- Assist Alinta Energy with site set up and earthworks for site drainage and site facilities set up.

All works were completed LTI free.

## BHP – SOUTH FLANK CIVIL WORKS

### CLIENT – NPJV

#### SCOPE OF WORKS

- Supply and installation of Formwork Rio and Concrete for concrete wash down pads and drive in sumps.
- All works were completed LTI free.

## BHP MT WHALEBACK CIVIL WORKS

### CLIENT – SCEE

#### SCOPE OF WORKS

- Detailed earthworks for trenching for service installation and backfilling
  - supply and installation of structural backfilling
- All works were completed LTI free
